AARC General Meeting Minutes 9-4-92

The Anchorage Amateur Radio Club meeting was opened at 7:00 PM by President Fred Wegmer KL7HFM. Introductions were made.

Rick KL7YF announced that ham classes for novice, both tech levels, and general licenses will begin on September 29th and run for 8 weeks. Classes will run from 6:30 to 9:00 PM every Tues/Thurs evening at Central Lutheran Church on the corner of 15th and Cordova. If you know someone who is interested, have them call Rick KL7YF or Lil NL7DL at 277-6741.

The last Potter Marsh cleanup for the year is to be held at 9:00 AM on September 5th. Harley KL7IZZ and Arlene KL7HO are the folks in charge.

The December meeting/Christmas party will be held at APU, though it is currently unknown in which building it will be held.

The Anchorage Amateur Radio Club Hamfest is being held at the Muldoon Mall, 1251 Muldoon Road, on the far south side of the building. Susan NL7NN Hamfest Chairperson, indicated that there was still a need for volunteers for the PARKA booth, the admissions, security, and for an auctioneer. The hamfest will take place September 26, 8:00 AM to 5:00 PM, and September 27th, 10:00 AM to 3:00 PM. Admissions are \$2.00 for adults, \$1.00 for ages 13 to 17, and under 12 will be free. The Hamfest banquet is to be held Saturday evening at the Hofbrau House at \$20.00 per plate. Setup will begin Friday September 25th at noon. Harvey NL7DK is booth chairperson. Ham tables are \$10.00 plus 10% of the take. Commercial tables are a flat \$35.00 each. The country Store will carry only electronics-related goods at a 20% commission.

Louise Stewart, the FCC's PR person, discussed the FCC's rulemaking procedures. The first step is to make a proposal regarding a particular rule. The second step is to accept comments on the proposed rules. Louise tells us that when making comments, be sure to include name, address, present our facts, include our docket number with code, our signature and the date. If comments on a particular proposed rule number 15 or more, the FCC considers that to be a lot of clout.

Louise presented certificates from the FCC to John AL7ID and Derek NL7HQ for helping the FCC to permanently resolve a difficult situation. She passed out several informational pamphlets to the general membership.

The ad hoc committee for the Anchorage Amateur Radio Club subsidiary corporation is made up of the following members: Bob NL7UH, Chuck WL7DZ, Fred KL7HM and Bob AL7KS. They will have their recommendations regarding the subsidiary corporation ready by the first of the year.

John AL7ID showed a videotape about Field Day, 1992.

The recommendations on the proposed changes in the AARC by-laws will be discussed at the next general clubmeeting.

The raffle prizes were awarded. Fortunately for Richard AL7MO , the activities Chairperson, Lil found the M&M's he had hidden. She therefore left him whole of limb.

The Eatin'after the Meetin' was held at Elmer's as usual.

(very slightly) Respectfully Submitted

Lil NL7DL

AARC Boardmeeting Minutes 9-9-92

The Anchorage Amateur Radio Club Boardmeeting was held at APU room 104 and was opened at 7:00 PM by President Fred Wegmer KL7HFM. Boardmembers present included the following: KL7HFM, AL7MO, AL7BB, NL7DL, KL7YF, NL7NC, AL7BK, NL7VR, WL7IHE, AL7ID, NL7UH. The following clubmembers also attended: NL7NN, KL7HFQ, NL7DK, WL7BF.

Activities Chairman Richard AL7MO discussed programs for future general clubmeetings. He is working on getting Bob Stewart, Emergency Office Coordinator for the city of Anchorage, for the October program. Rick KL7YF offered the use of a Gordon West videotape on installing and operating marine radios as a possible future program.

Susan NL7NN announced that she will not be Hamfest Chairperson for next year. She will be more than happy to be a consultant.

Mel WL7IHE and Fred KL7HFM offered to work on getting labels for mailing hamfest flyers. Fred will also work on obtaining tables and chairs for the hamfest.

The Fairbanks Hamfest will be held on October 5th.

It was suggested to have John WL7CCQ be the hamfest auctioneer/emcee. (It was also suggested to try to get Marcus or Herb Shaindlin to be emcees--both ideas of which were quickly shot down!)

Susan has received the ARRL literature and books for the hamfest.

Treasurer Fielder has reported that all but a couple of bills have been paid.

The board discussed recommendations to amend the club by-laws. The board of directors will 1. review suggestions, 2. recommend changes, and 3. bring the changes before the general membership for a vote. The board decided to table the by-law changes until the next boardmeeting, when they hope to have sufficient copies of both the current by-laws and the recommended changes.

The club's official registered agent is Fred KL7HFM. The agent's job is to receive mail, be a voice for the club, file replies to the state regarding financial status and principles. As such, Fred will research the question of citizenship and other federal requirements for the Anchorage Amateur Radio Club's subsidiary corporation.

Susan requested and got \$1000.00 for the hamfest.

Lil NL7DL still needs 2 more volunteers for the October 1 city emergency drill.

The VEC, via Jim Moody NL7C, suggested giving a 6-month free membership to all new hams who have passed their novice or no-code tech tests. The VEC was informed by the board that this was already being done. (Students who pass Rick and Lil's amateur radio classes within 3 months of the termination of the classes receive a 1-year free club membership). KL7YF suggested getting a data-base address list of the new licensees and send them a complimentary AARC newsletter.

It was also suggested that the club place free newsletters in such places as Frigid North.

John NL7NC told the board that the packet bulletin board has been updated. He has ordered two tech data transceivers for the packet system. He will have a table at the hamfest.

John AL7ID will put out ads for the Hamfest. He briefly discussed putting out ads for the Anchorage Hamfest in both Kenai and Fairbanks. He will also put out PSA's for the Hamfest at the different radio broadcasting stations.

The VHF committee reported that the UHF repeater would be moved around September 12th or 13th.

The meeting was dismissed at about 8:45 PM. Lil immediately rushed home and drowned herself in chocolate.

(Mildly) Respectfully Submitted

Lil Marvin NL7DL

Communicating Your Comments To The Commission

How to file comments in an FCC rulemaking was one of the topics Louise Stewart spoke to us about at our September 4th meeting. Louise, who is the Anchorage based Public Relations Specialist for the Federal Communications Commission, brought a number of handouts for those present at the meeting, including copies of the FCC news release about including Novice Class testing under the Volunteer program.

Those present at the meeting were taught how to file our own comments with the FCC on rulemaking actions that affect our radio activities. We were all astonished at hearing how few amateurs ever comment upon proposed rulemakings, sometimes, only a handful ever respond other than the ARRL.

The handout on filing comments tells us to give the FCC information on any experiences, judgments or insights we may have that would shed light on the issues and questions raised (or should be raised) in an inquiry or rulemaking. A format for commenting was given to us on one of the handouts and is reproduced here.

Advice For Filing Comments

Comments should explain who we are and what our interest in the rulemaking is. State the facts briefly, but fully, and explain what your experience is and any additional evidence that supports your positions. The Docket Number of Rulemaking Number is needed to indicate which file the comments will go to.

Keep comments specific, and if only part of a proposal is objectionable to you, then so indicate. If you think certain safeguards are needed, then explain them and why. Comments should also include facts which might support a different position. Discuss them, and explain why the public's interest requires that the matter be resolved as you propose.

The comments must reach the FCC on or before the comment or reply date included in the Notice of Inquiry or Notice of Proposed Rulemaking. They should be submitted to the Secretary, Federal Communications Commission, 1919 M Street NW, Washington, DC 20554. If you want the comments to be received as a formal filing, then you must include a signed original and (at this time) five copies. If you only intend your comments to be included as informal comments, then you will only need to send the signed original.

You can obtain copies of a Notice of Inquiry or a Notice of Proposed Rulemaking by contacting the Public Information Officer at the address above, or by calling (202) 632-7260. All such notices are printed in the Federal Register soon after they are released by the FCC. The Federal Register is available in the Loussac Library.

October Program

Bob Stewart of the Anchorage Emergency Management/Civil Defense office will be our guest speaker at the October 2nd meeting of the Anchorage Amateur Radio Club. He will be talking to us about how his office functions and will also tell us about the emergency exercise scheduled for the first of October.

Since Bob will be tied up with the "fire drill" at the Frontier Building on the first and with another exercise in his office on the second, he will only be able to tell us about the exercise in general and what the office of Emergency Management/Civil Defense expects to get out of the emergency exercises.

Lil Marvin, NL7DL, the Amateur Radio Emergency Services Co-ordinator for Anchorage, will also speak for a few minutes about ARES's participation in the "fire drill".

The October Raffle Prizes will include a two meter glass mount mobile antenna and a twenty meter receiver kit.
